<h1>I got Vans</h1>
<h3>Fresh New Vans</h3>
</head>
<body>
<p> On the day of the 19th of September I purchased a new pair of Vans. I went to Shoe Dept. These are original black vans with the signature white Vans stripe. They are actually Men's, not a women's Vans shoes. I enjoy looking at different versions of them. My Vans are black so they get dirty easily so I have to clean them often.
